Subject: past costs for Carrier

----- Message Contents -----

Ray-

Thanks for looking into the FIT costs. Are there any other outstanding costs that have yet to be paid by the PRPs? I assume there are not, but I thought I would check. The first bill sent to Carrier under the RI/FS AOC included FY87 and FY88.

Let me know if all past costs have been covered. Thanks

Pete R.

Pete

It appears that all the past costs have been paid. However to be sure, Lenny Zaprowski is looking into your question.
